My teacher helped me with the specialised vocabulary I need for my work. The text book was perfect for my needs and the teacher and family were extremely welcoming.
I would recommend this course highly.

Living Learning English: Home Tuition

Learn English successfully, intensively and rapidly by living and studying with your teacher. You will be welcomed into your teacher ’s home where you will experience life in the UK as part of a warm, friendly family.

You will speak only English every day and your teacher will help you find the right words in daily conversation. Your course is specifically designed to meet your individual needs for learning English.

To maximise learning time, the lessons are held 1:1 at your teacher's home, avoiding the need to commute to a school every day.
